Accomplish More with Zero Warm-Up Time

» SUPERIOR PRINT SPEED WITH NO WARM-UP TIME

Experience greater printing efficiency with a print rate of 14 pages per minute and the first printout ready in just 8.5 secs. And thanks to Canon's innovative On-Demand Fixing technology, no warm-up time is needed for the printer to start printing.

» ONLY THE BEST PRINTING TECHNOLOGIES

With Canon Advanced Printing Technology (CAPT3.0), a quicker print speed is achieved by harnessing the abundant power of today's modern computers to process print jobs. High Smart Compression Architecture (Hi-SCoA) then compresses print data into more manageable sizes so minimum RAM is needed to process them.

» RAPID DATA TRANSFER

A speedy USB 2.0 Hi-Speed connection is used to transfer data from the computer to the printer in double-quick time.

» DESIGNED FOR MAXIMUM EFFICIENCY

The stylishly designed printer is not only compact and lightweight; it's virtually silent in standby mode and is one of the most energy efficient printers in its class. To ensure smoother operation, the printer uses a shorter U-shaped paper pass that lessens the possibility of paper jams.

» PROFESSIONAL PRINT QUALITY

Get high-quality monochrome prints (equivalent to 2400 x 600 resolution) for text that's easier to read and clearly defined charts and diagrams; made possible by Canon's Automatic Image Refinement Technology (A.I.R).

» MINIMISE COSTS WITH ENERGY-SAVING OPERATION

Most office printers remain idle for as much as 80% of the working hours. So it is comforting to know that in Standby or Sleep mode, the LBP3050 consumes only 2W of electricity, the lowest among its competitors. In the age of rising energy costs, the LBP3050 is the answer to keeping energy consumption to its minimum.

LBP3050 SPECIFICATIONS

Model		LBP3050
Printing Speed		Mono 14 pages* (A4)
Printing Method		Electrophoto Method
Fixing Method		On-Demand Fixing
Printing Language		CAPT 3.0
Maximum Resolution		2400 × 600dpi (Equivalent with A.I.R)
First Print Out Time		8.5 seconds or less [†] (A4)
Toner Cartridges		Cartridge 312: 1500 pages Bundled Cartridge: 700 pages
Paper Input	Standard Cassette Manual Feed Tray	150 sheets 1 sheet
Paper Size		A4, B5, A5, Legal, Letter, Executive, 16K Custom Paper Size Width: 76.2 to 215.9mm Length: 127.0 to 355.6mm
Paper Output		100 sheets
Network Printing		Optional
Operating Noise	Printing Standby	50dB or less Background Noise Level
Power Consumption	Printing Standby	280W or less 2W or less
Dimensions (W x D x H)		372mm × 250mm × 197mm
Weight (Printer Unit)		Approx. 5.4kg
RAM Memory (Standard)		2MB SDRAM (No additional memory required)
Interface		USB 2.0 Hi-Speed
Supported OS		Windows Vista (32bit/ 64bit)/ XP/ 2000, Server 2003, Mac OS 10.3.9 - 10.5

* Print speed may drop in stages depending on the paper size, paper type, print copies, and the settings of the fixing mode.

[†] May vary depending on the toner cartridge you are using or output environment.

ORIGINAL CANON TONER CARTRIDGES

- Maximise your printer and reduce overall print costs by using original Canon cartridges.
- Incorporating advanced Canon technologies, toner cartridges from Canon ensure your printer gives you the best possible output every time.
- Designed for easy maintenance, all consumables are loaded into the printer from the front.
